**MEMORIAL PLAZA WHERE MEMORIES ARE REMEMBERED**

The Memorial Plaza located at the Sullivan High School Athletic Complex opened on Friday, September 13, 2013. This entrance will not only function as an entrance to the facilities, but also as a memorial to Sullivan students, staff and others who have contributed to the success of the Sullivan School District.

You may still purchase bricks, pavers or benches. We can put these orders in the plaza periodically as we get groups of orders.
